- In order to make it easier to order stalls as a group, please keep the following things in mind:**
- stalls will be assigned on a first come - first serve basis. The same goes for tack rooms in barns A, B & C.
 - if there is not enough space left available at the designated area, we reserve the right to move the whole group into another area to keep the group together.
 - show management attempts to keep owners, exhibitors and horses from one nation together in the same area to help guests who do not speak English or German
 - All barns will be patrolled by our stall officer who will come by and check stalls on a regular basis during the entire show
 - Stalls are only available in following barns: A, B, C South, C North, H and I. All other barns are closed!
 - All stall reservations made by eMail are valid until June 30th. After that reservations will only be confirmed when full payment along with this reservation form has been received by the stall office. If no payment has been received until the reservation deadline, stalls will be given to the next people on our waiting list. This applies to all stalls already marked on the current stall plans offered at euro-paint.info
 - **SMOKING IS ABSOLUTELY PROHIBITED IN ALL COVERED AREAS THROUGHOUT THE SHOWGROUNDS. Additionally smoking is absolutely prohibited in all in- and outdoor riding arenas including the round pens!**
 - Please help to keep the showgrounds clean! In order to achieve that, please put hay bands into the garbage bins, pick up your cigarette butts and clean up after your dog. The team of Gut Matheshof and the Euro Paint will be very pleased by your efforts.
